VICTORIA DENTAL PRACTICE

To ensure that our care maintains the highest possible standards, with the flexibility needed to treat each patient as a unique individual, we became independent of the N.H.S. in 2006. We now commit ourselves privately to the patients in our care.

We are happy to see patients in the manner which suits them best, from one off treatments to a registration based scheme within the practice. At all times the practice aims to help the patient to receive quality, comfortable care, suitable for their needs in a reassuring, relaxing, friendly environment. We run early morning and evening appointments for your convenience.

The options for treatment are -

Item of service - paying for treatment as your treatment goes along. A price list is available on reception, however every treatment plan is individually assessed by the dentist and appropriate fees allocated.

Denplan- this is a way of joining the practice as an ongoing patient and spreading the cost into monthly installments. As well as your dental health being looked after by the practice, Denplan covers emergency care nationally and internationally, accident cover and some finance towards hospital care. Please contact the practice for details of the schemes available.

EMERGENCIES

For Out Of Hours emergency care please ring our phone number and listen to our answer machine. We operate our own 'on call' service run by ourselves from Victoria Dental Practice. This is free for our Denplan patients, however we are happy to see anyone with a problem although call out charges will apply.

ACCESS

As we are located in a Victorian building we do have a number of steps at the front. If this is a problem please ring reception as we have restricted access to the back of the building with only two steps. We also have a ground floor surgery.

HOME VISITS

These can be arranged to provide simple treatment options, including dentures. Please contact the reception for details.

HYGIENE

Prevention and maintaining the foundations of the teeth is at the heart of successful dentistry. The team at Victoria work closely with our hygienist to focus on this .

THE PRACTICE IS OPEN FOR PATIENT APPOINTMENTS :

MONDAY 8.30 - 7.00

(closed for lunch 12.00 - 1.00)

TUESDAY - THURSDAY 8.30 - 5.30

(closed for lunch 12.30 - 1.30)

FRIDAY 8.30 - 4.00

(closed for lunch 12.30 - 1.30)

Some appointment times are restricted to Denplan patients only.
